EARLY HOCKING COUNTY MARRIAGES FROM BOOK A, 1818-1839 HOCKING COUNTY PROBATE COURT

These names were very difficult to decipher and apologies are made for any misinterpretations of names. Please note, however, that every effort was made to abstract the names exactly as they appear in the records. Therefore, some names may look as if they are misspelled. Dates given are actual marriage dates unless listed as license only. Book A of the Marriage Records did not begin with page 1; it began with page 100. The first section of this book will list males first. Section two is sorted to list females first.
